OFFICE OF
REGIONAL ADMINISTRATOR

Mr. Robie G. Russell
Regional Administrator
Region X
Environmental Protection Agency
1200 Sixth Avenue
Seattle, Washington 98101

Dear Mr. Russell:

The Department of Ecology has received many comments objecting to the two week public comment period following the public meeting for the Colbert Landfill Feasibility Study. Comments, verbal and written, have been received from each of the county commissioners, Keytronics officials and employees, legislators and individuals.

Based on the volume of this information, the length of the report, the possible environmental effects, and the long-term economic affect on the community, the department formally requests an extension of the comment period until July 14.

Thanking you in advance for your consideration.

Sincerely,

A handwritten signature in cursive script, appearing to read "Andrea Riniker".
